☒ The enclosed explain(s) the nature and extent of the assistance this Office can give you, and the various procedures in the Office.

☐ The disclosure given is not sufficiently detailed to enable this Office to indicate a restricted field of search.

☒ The field of search for your disclosure include

Class 426 entitled Food or Edible Material: Procession,
subclass(es) 139 Compositions and Products

Class _____ entitled _____
subclass(es) _____

☒ The number of original and cross reference patents in the above classifications are listed below. If you wish to order a listing of the patent numbers in a subclass, (see circular, section 10) use the enclosed subclass listing order form.

CLASS	SUBCLASS	NO. OF PATENTS
426	139	151

☒ Since the above subclass(es) probably include(s) many patents not pertinent to your particular inquiry, a search to isolate as patents in which you may be interested may be more economical than ordering a large number of patent copies; see the circular, sections 3, 12 through 14, 16 and 19.
